

How you can get involved

Funding the work of Felix Fund depends on the commitment and hard work of individuals, groups of volunteers, companies and other organisations. By supporting Felix Fund, you can make a positive difference to this unique group of men and women and their families.

- Make a one-off or regular donation
- Organise a fundraising event
- Purchase from our online shop
- Enter a challenge event
- Sponsor other individuals
- Leave a legacy in your Will
- Become a volunteer
- Sign up for our quarterly newsletter

Memorial

Another of Felix Fund's objectives is to sustain and commemorate those who have lost their lives over the years whilst undertaking EOD and Search duties. This could have been on operational tours, training exercises and other incidents.

We do this through assistance with the maintenance of memorials and by marking the anniversaries in our newsletter, website and on social media.

THE BOMB DISPOSAL CHARITY FOR THE ENTIRE EOD & SEARCH COMMUNITY

Who we are

Felix Fund – the bomb disposal charity is here to help any military from across all three services and SO15 (Metropolitan Police Counter Terror Unit) personnel who have conducted or assisted with Explosive Ordnance Disposal (EOD) and Search duties. We provide welfare support and financial assistance to serving personnel, veterans and their dependents.

Mindfulness & awareness

Felix Fund has been running its Dashboard programme since 2016 with excellent results. This course which delivers preventative stress training based on mindfulness provides serving military and veterans with the tools and techniques to recognise warning signs of stress and to be able to develop their ability to relax, clear their minds and focus on positive aspects of their life. This will then feedback into a more productive and positive work and home environment.

"My life has honestly changed. I have no built-up anger and can communicate with my wife without arguments. I am far more considerate of others. It has made such a difference."

"This is the only course I have ever attended where I paid full attention throughout. No heavy eyelids in the afternoon for the only time in my life!! Thank you for this, it has made the world of difference to me and my family."

Financial support

The other aspect of the work of Felix Fund is financial assistance to serving personnel, veterans and their dependents, when they find themselves in times of need. This help is wide ranging from hydrotherapy treatment for a former soldier suffering from PTSD and sleep deprivation, a specially adapted buggy for the disabled son of a serving soldier to enable him to start school and go out with his family, and sporting equipment for two former Sappers to allow them to train for and compete in the Invictus Games. We have also helped with home adaptations for veterans, such as replacement windows, the installation of stair lifts and specialist furniture to ensure they are able to remain in their own homes.

In addition to these grants we have helped units and regiments with welfare projects ranging from the refurbishment of on camp welfare facilities in locations such as, 321 Sqn in Northern Ireland and Marlborough Barracks, Kineton.

Do you need our help?

Every day bomb disposal and search personnel can be faced with highly pressured situations. This continued exposure to intense stress can have lasting effects, both mentally and physically. Felix Fund is here to help this unique group of men and women.

We can help anyone who has conducted or assisted with EOD and Search duties across all three services and SO15 (Metropolitan Police Counter Terror Unit). You can be still serving, a veteran, and you do not have to have been injured to qualify.

Applications for assistance can be made through our online grant application form.
