

What do I need to do?

You must seek professional legal advice before drawing up a will. Your solicitor will then work with you to ensure your wishes are met in the most effective way.

Thank you

Free Wills month brings together a group of well-respected charities to offer members of the public aged 55 and over the opportunity to have their simple Wills written or updated free of charge by using participating solicitors in selected locations across England, Scotland and Wales.

THE BOMB DISPOSAL CHARITY

Leave a gift in your Will

Make a difference to the future

THE BOMB DISPOSAL CHARITY FOR THE
ENTIRE EOD & SEARCH COMMUNITY

Since 2011

A legacy costs nothing now but can make the world of difference in the future. Many charitable services would not exist without money left in wills, yet only 5% of people actually provide for them in this way.

Felix Fund is here to help any military from across all three services and SO15 (Metropolitan Police Counter Terrorist Unit) personnel who have conducted or assisted with Explosive Ordnance Disposal (EOD) and Search duties. We provide welfare support and financial assistance to serving personnel, veterans and their dependants.

Have you considered leaving a Legacy?

The tragedy is that while the number of people making charitable wills remains low, the number of people relying on them continues to increase. The result is that funds available from legacies are split between ever more charities.

Making a will not only helps your favoured causes but relieves family and friends of many of the legal difficulties that can be encountered without one.

Making or changing a will does not have to be hard work or expensive. Felix Fund has devised a 'Guide to Making a Will', which can be requested via email at enquiries@felixfund.org.uk. However, this is not comprehensive and Felix Fund strongly advises that you seek professional legal advice. If you would like to amend your existing will to include Felix Fund, you will need to see your Solicitor.

What difference will it make?

Life was becoming increasingly difficult for the family of a serving AT, as they had no means of transport for their disabled son. Because of your vital support, Felix Fund were able to purchase a specialist buggy which has enabled him to attend school and for the family to go out and enjoy valuable time together.

Felix Fund were able to help with expenses for an ex-Sapper to travel to Australia for pioneering surgery to enable him to walk with prosthetics. Injured in Afghanistan he needed to travel to Australia for this surgery. As a charity we could not help with the medical expenses but were able to help with others costs.

Do I need a solicitor?

We would strongly advise that you do. A solicitor's expertise will give you peace of mind and ensure all matters are legally correct.

I want to take care of my loved ones. Can I still leave a gift?

Absolutely. Any size of gift will help Felix Fund provide support to those in need.

Will I pay tax on my gift?

No. Gifts to charities are exempt from Inheritance Tax. They can even reduce the amount of tax your estate has to pay. Visit the HM Revenue and Customs website for details.
